FAIRVIEW NEWS

by Mrs. Elmer Joiner

We have the most wonderful news this Monday morning. It has rained! Just when it looked as if it never would rain again, the rains came, falling so nicely, excepting for the hail that came Saturday afternoon in some sections of the country. Up until Monday morning, one and six tenths of an inch of rain has fallen since Saturday, and the weather man was promising more. As we said, the hail did do quite a lot of damage, farther east of town, and over into the Plainview community. Mr. Henry reports that his wheat suffered fifty per cent damage saying he was expecting about eight bushels per acre and now he would only get four. Since the wheat crop has suffered from the dry weather so long, it isn't very good, so the actual loss in dollars and cents isn't much, but the farmers need all they can get out of it.

Tragedy struck in the Drake family again last week, when

Miss Maude Drake lost the sight in her good eye, the one she had surgery on last year. She was carried to the Hospital in Abilene, Saturday, where she will have surgery again. Tuesday, in an effort to restore her sight. Since this is a very delicate operation we are all hoping for the best.

Mr. and Mrs. Joe Ford went off on a trip again this past week, going to Portales, New Mexico, to see a daughter, Mr. and Mrs. D. B. Lieb and family. They also visited in Lamesa and Lubbock, on their rounds.

Coming from Dallas, Mr. and Mrs. J. D. King, and from Fort Worth, D. T. Downey, spent Saturday night with their sister and husband, the Fred Rosenbaums, then they all attended the Homecoming at Neinda, Sunday.

Mr. and Mrs. Flavil Holmes went to Abilene, Sunday afternoon, where they visited in the home of his sister, Mr. and Mrs. Ray Herrel. Mr. Holmes' mother, Mrs. Alma Holmes,

will be leaving there soon for a trip to El Paso, then on to California, so they went to see her before she left.

Mr. and Mrs. Winson Gray visited with Mrs. Martin Gentry, in the Anson Hospital, Saturday, where she recently underwent major surgery. Mrs. Gentry will be remembered by the old, old, timers, as Clarice Willaford, and her father ran the store at Abbie, then later at Radium, for several years. Mrs. Gentry still owns the farm, which her father owned, just west of the Fairview Church and which the Grays have farmed for a long time.

Winson Gray also attended funeral services for Vernon Watts while in Anson Saturday.

Mrs. Earl Herbst recently returned from Hobbs, New Mexico, where she visited with her brother, Bert Shields, who was real sick.

Rev. Kenneth Leverett attended the T. S. T. A. banquet, in Anson, last Monday night since he is a school teacher and this was for the school teachers.

Mr. and Mrs. Woodrow Goodwin were Sunday afternoon visitors of the John Beauchamps.

Mrs. E. A. Henry was a Wednesday afternoon visitor, of Mrs. Fred Rosenbaum.

Mr. and Mrs. Winson Gray visited south of Anson Sunday afternoon, with Mr. and Mrs. Hilmer Carter.

Tuesday visitors of Mr. and Mrs. Fred Rosenbaum, were his nephew, Mr. and Mrs. Nolan Sullivan, from Lubbock. Sonny Joiner, San Antonio, was a dinner guest of his brother, Mr. and Mrs. Elmer Joiner, last Monday. He had

been to Fort Smith, Arkansas, still working on the bill for veterans, who were prisoners of war, he has put a lot of effort into this and has high hopes of getting it passed since he has so many interested in it. From Hamlin, he went on to Lubbock to spend the night with his sister, Mr. and Mrs. Henry Kee.

There is a great big vacant spot in the George Wainscott household, as their "baby" left the home last week, after enlisting in the Air Force. He was sent to Lackland Air Base, San Antonio, for his six week period.

Let not forget the Fairview cemetery working this coming Saturday, which will be May 1. If you can, you are being urged by those trying to keep the tradition alive, to come and bring a basket lunch, and spend the day.

FRIENDSHIP HD CLUB HAS PROGRAM FRIDAY ON QUICK MEALS

The Friendship Home Demonstration Club met at the Oil Mill Guest House Friday. Mrs. Elmer Joiner and Mrs. J. E. McCoy brought the program on quick meals.

Mrs. B. H. Gardner served refreshments to Mmes. Carl Young, Bonnie Bingham, M. S. Johnson, Jack White, Fred Carpenter, Elmer Brewer, Norman Carlton, R. M. Young, Noble Greer, E. G. Young, Alton Mayfield.

Mr. and Mrs. Terry Holland and family, Terry Lee, John, and Margaret from Woodland, California were here visiting his mother, Mrs. John Holland and other relatives.

Here we were set to tell you all about the snappy new things Rambler has come up with, like the Marlin, our hot new sports-fastback, and optional reclining bucket seats and anti-fade disc brakes, and two kinds of floor shifts, manual or automatic, and our big choice of hustling new engines... then we got this flash news—

Rambler American 440 wins Class B...25⁶⁵ m.p.g.

Beats all other large-engine compacts in Mobil Economy Run

Use of Mobil Economy Run data approved and certified by the United States Auto Club

A Rambler American 440, with three-speed Flash-O-Matic transmission and peppy 125-hp Overhead Valve Six, has won its class again in the 1965 Mobil Economy Run.

And it won this victory over the roughest, toughest, longest, fastest course the Mobil people have come up with yet. Over 3,200 miles of sizzling desert, snow-capped mountains, gas-wasting city traffic, high-speed turnpikes.

But Rambler's got a lot more—the lowest-priced* U.S. sedans, wagons and convertible... high resale value, proved by Official Used Car Guides. See how smart and sporty the Economy King can be—at your Rambler dealer today. American Motors—Dedicated to Excellence

and 24 in Dallas. She was accompanied by Betty Sadberry. Old Glory Homemaking teacher.

WONDERFUL FEELING!

"Oh! I'm not really steering, but my friend has permitted me to sit here, and I have really had a good time just pretending."

Does this remind you of times when you have "Pretended"? Remember when some friend allowed you to sit behind the wheel of a boat or a new car and... well, you know the rest.

Today we are still pretending, because nothing really belongs to us.

The Bible Says... "The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein." Psalm 24-1.

According to this, God is truly our friend and permits us to use the things of this world. For these things, and God's greatest gift, his Son, we should attend worship services each week and give thanks.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEIGHBOR

by Barbara Craig
The weekend rains have been the main topic of conversation this week. It looked like for a while that "April Showers" were not going to be anything more than sprinkles.

Everyone is grateful for the rain, but some were hard hit by the hail Saturday and Sunday.

Last week I mentioned the triplet goats at the Charles Cary home and since that time I have learned that multiple births in goats are not common, but they seem to be for the Cary's pet, Brownie. She had twins only last year.

Mrs. Etta Bond, and Mr. and Mrs. Virgil Steele visited this week with their mother, Mrs. J. M. Steele, in Fort Worth. Mrs. Steele is 89 years old is still quite active, likes to go, and takes care of the home chores.

Our family, being considered members of the working press, were guests at Six Flags over Texas this weekend. We had not been there for three years and were pleased to see that although some changes had been made in the attractions, no change had been made in the attention and service.

Most impressive were the beautiful flowers that were used throughout the grounds. It was not unusual to see camera fans taking pictures of the unusual blossoms.

QUOTES:

"Our youth now loves luxury. They have bad manners, contempt for authority, they show disrespect for elders, and they love to chatter instead of exercise."

"Children are now tyrants. They no longer rise when elders enter the room. They contradict their parents, chatter before company, gobble

A shocking condition! (What you have just read was written by Socrates in the year 400 B. C.)

Charles Dodd, a former employee of the Herald, came by the other day while visiting here with his parents, Mr. and Mrs. Curtis Dodd. He is attending mechanic school in St. Louis, Mo. Charles and Mrs. Dodd went to Austin Wednesday where Mr. Dodd is managing a Safeway Store. The Dodds are making plans to move to Austin.

Seniors Preparing for Trip

by Nancy Ford
Marolyn Reynolds
Carolyn Reynolds

Busy? Well, the Hamlin High School students are busy also. Seniors are preparing for the senior trip, graduation, and after-high-school plans. Juniors are trying (they need help) to prepare for the big week when the seniors go to New Orleans and they can be big wheels. Why, they also have to prepare for the Junior-Senior Banquet, and we seniors are expecting something great. And even the sophomores are working. Of course we don't know exactly what, but they must be doing something. Now, the freshman are getting ready for that glorious day when they are privileged to give an assembly program for the high school. That's right; everyone's doing something.

h h s

Monday, the junior high and high school students were entertained by the Pepperdine Choir, which was on tour from Pepperdine College, Los Angeles, California.

h h s

Tuesday afternoon, April 27, the Hamlin High School cheerleaders and the Pep Squad twirlers were elected. Ten girls tried out for cheerleaders and eight for twirlers. The results will be announced later.

h h s

The results for the Regional Meet in Lubbock, Saturday are Mike Shivers, third in high jump; Robert Pearce, fourth in tennis; and the livestock team composed of Robert Moore, Randy George, and Wayne Gruben placed second in

the beef contest and third in the Stamford District.

h h s

On May 3, at 7:30 p. m. in the high school auditorium the sixth grade, junior high, and the Piper band and stage band will present the spring concert. Tickets may be bought from any band student for 75c.

h h s

The Student Council is sponsoring a school-wide picnic Tuesday, May 4 at 6:00. The drinks will be furnished by the Student Council, and the students are asked to bring their own lunches.

h h s

Summer is something great for everyone, but for those elected to attend Boy's State and Girls' State it is a summer which shall never be forgotten. The faculty members always select junior boys and girls to attend; this year Judy Jenkins and Sheila Stone with Jane Ferguson as alternate were selected to attend Girls' State. Jimmy Hawkins was selected to attend Boys' State with Tommy Ferguson and Mike Rountree as alternate.

h h s

The Junior-Senior Banquet will be Friday night, May 7, in the primary cafeteria. This affair is another highlight of the school year.

Barbara Ann Tabb, 19, daughter of Mr. and Mrs. W. H. Tabb of Route 3, Hamlin, has enrolled at Commercial College in Abilene. She will complete her training at Fort Worth, where she will major in computer programming. She is a 1963 graduate of McCaulley High School.

Game and Fish Survey Reveals South Lake Is Long on Fish

A routine check by the State Game and Fish Commission last week revealed that Hamlin's South Lake is the best populated lake in the 22 county area serviced by the Slaton office.

Paul Fischer, biologist of the Slaton office, and Ronald Meletti, technician of Slaton, were in town this past week checking the Hamlin lakes.

They reported that there

were too many fish in the South Lake for the size of it and that it would get worse unless it began to fill up.

They found large two pound Crappie, large four pound Bass and large Channel Cat in numerous quantities in the South Lake. They also said that there were very few rough fish in the lake.

No report was available on the West Lakes.

Local Men Attend Dallas Meeting On Compliance of Civil Rights Law

Bill Harbert, president of the Hamlin School Board, C. F. Cook, superintendent of schools, and Joe Hudspeth, Richard Young Jr., board members, attended a meeting in Dallas Friday morning at 9:30 a. m. called by the state commissioner of education, Dr. J. W. Edgar.

The meeting was called for the purpose of having someone from the U. S. Department of Health and Education explain to school administrators in North and West Texas concerning compliance to the new civil rights law as it pertains to public school education.

On the program were Edward A. Mearns, associate dean of the University of Virginia School of Law, a consultant to the U. S. Office of Ed-

ucation; Dr. Edgar; Herbert Kane, member of the U. S. Office of Education staff; Prof. Harry Wright, University of Texas Law School, and Leon Graham of the Texas Education Agency.

Some 400 Texas School officials attended the meeting. Mearns said that court orders do not cover all facets of a school system that the Office of Education wants to see integrated as a condition for distributing federal aid.

Among prominent items they do not cover, he said, are integration of faculty, extra-curricular activities and athletics.

"Undoubtedly, supplementary information will have to be provided on what steps the school district is taking in these areas," Mearns said.

Dr. Edgar said Dallas and the 13 other Texas districts under court-ordered programs of desegregation submitted statements to the U. S. education office that they were carrying out the courts' orders. This was their statement of compliance with the Civil Rights Act.

None of these statements of compliance have been approved, he added.

"We've asked the office of education to read these and send us information on what else they might want," Dr. Edgar said. "So far, we haven't gotten an answer."

Part of the answer, possibly all of it, may lie in Mearns' remarks. Of the supplemental information he said would be needed, the integration of faculty issue may have the greatest effect on the Dallas schools.

The members of the Hamlin School Board have not taken action, waiting for further information on necessary steps needed to comply with the law.

Week End Rains to Aid Some of Area's Wheat

Weekend rains, accompanied by varying amounts of hail over the area, boosted the April rainfall to 2.12 inches. Saturday rains measured .75 at the Hamlin Pump Station. Sunday the moisture amounted to .66.

The rain and cooler temperatures will have a decided effect on the wheat crop although some wheat had already been ruined by drought conditions. The wheat that had had the benefit of showers earlier of course is showing more promise than the grain that had not received any moisture and was damaged by the hot dry temperature.

Some of the better wheat in the area east and north of Hamlin was hit by hail Saturday and from one-third to one-half of the wheat was damaged.

Heavily hit by hail was the area northeast of here. Some of the crops north of the Stamford highway were destroyed.

There was no rain south-east of here Saturday but the area received good showers Sunday. The area closer to town did not have hail.

The cooler weather has been a big advantage and at this time it is difficult to estimate the outcome of the crop. Some estimate the yield to be from nothing to above 20 bushels to the acre.

Farmers suffering weather damage to wheat have alternatives under the 1965 Wheat and Feed Grain Programs providing they are participating in both programs, according to Mr. J. Noel Weaver, Chairman, Jones County ASC Committee. A large portion of Jones County wheat has been severely damaged by drought and hail, particularly in the Avoca-Lueders area and in the Tuxedo area.

Mr. Weaver pointed out that producers participating in both the 1965 Wheat and Feed Grain Programs may, by first contacting the County ASCS Office by May 3, reclassify these destroyed wheat acres and be eligible to substitute grain sorghum acres. He also pointed out that the total permitted acreage under the two Programs may not be exceeded by the total of the two crops.

Mr. Weaver stated that the amount of wheat certificates for which growers are eligible under the program will not be reduced because of the crop damage, however, as much as 80% of the wheat allotment for harvest must remain classified as wheat in order to be eligible for the full amount of certificates available for the farm. Of course, when fewer acres were planted for harvest, the amount of certificates will automatically be reduced.

Mr. Weaver urged those producers who wished to make adjustments in their wheat acreages to call at the County Office by May 3 as May 1 is the final date for destroying excess wheat acreage.

Miss Albritton is a junior in Hamlin High School where she is a member of the National Honor Society, the Piper Band, the Spanish Club, and F. H. A. She recently attended the State F. H. A. Convention where she sang in the State F. H. A. Choir. She has played in the National Piano Guild the past four years, and is active in the First Baptist Church here.

Nazarene Church Revival Underway

Rev. Ivan Kounter, evangelist for the revival at the Church of the Nazarene, now in progress, will continue with services nightly through Sunday night.

Time for services is 7:30 p. m. and the public is invited to attend, according to the pastor, Rev. Cecil Stowe.

Rev. Bill Morris of Rotan is in charge of the music.

TO ATTEND WTCC ABILENE CONVENTION

Mrs. Ned Moore, BCD secretary, will attend the 47th annual convention of the West Texas Chamber of Commerce in Abilene Thursday through Saturday. Mr. Moore, a local director, will attend the Friday dinner.

JAN ALBRITTON

Jan Albritton To Represent Lions In Queen Contest

Jan Albritton, daughter of Mr. and Mrs. Henry Albritton, has been chosen by the Hamlin Lion's Club as their representative in the Queen's Contest at the District 2E1 Lions Club Convention to be held in Abilene Saturday.

Miss Albritton is a junior in Hamlin High School where she is a member of the National Honor Society, the Piper Band, the Spanish Club, and F. H. A. She recently attended the State F. H. A. Convention where she sang in the State F. H. A. Choir. She has played in the National Piano Guild the past four years, and is active in the First Baptist Church here.

TROMBONE TRIO TO BE FEATURED IN CONCERT — Dennis Weaver, left, Randy Smith, center, and Gary Couble, right, will be featured in a trombone trio at the sixth annual Parade of Music to be held Monday at 7:30 p. m. in the high school auditorium. All

Hamlin bands and the high school stage band will be presented in concert. Pictured in background is band member, Gerald Barnett. New evaporative coolers are being installed in the auditorium and are expected to be in operation for the concert.

FAIRVIEW NEWS

by Mrs. Elmer Joiner
We have the most wonderful news this Monday morning. It has rained! Just when it looked as if it never would rain again, the rains came, falling so nicely, excepting for the hail that came Saturday afternoon in some sections of the country. Up until Monday morning, one and six tenths of an inch of rain has fallen since Saturday, and the weather man was promising more. As we said, the hail did do quite a lot of damage, farther east of town, and over into the Plainview community. Mr. Henry reports that his wheat suffered fifty per cent damage saying he was expecting about eight bushels per acre and now he would only get four. Since the wheat crop has suffered from the dry weather so long, it isn't very good, so the actual loss in dollars and cents isn't much, but the farmers need all they can get out of it.

Tragedy struck in the Drake family again last week, when

Miss Maude Drake lost the sight in her good eye, the one she had surgery on last year. She was carried to the hospital in Abilene, Saturday, where she will have surgery again. Tuesday, in an effort to restore her sight. Since this is a very delicate operation we are all hoping for the best.

Mr. and Mrs. Joe Ford went off on a trip again this past week, going to Portales, New Mexico, to see a daughter, Mr. and Mrs. D. B. Lieb and family. They also visited in Lamesa and Lubbock, on their rounds.

Coming from Dallas, Mr. and Mrs. J. D. King, and from Fort Worth, D. T. Downey, spent Saturday night with their sister and husband, the Fred Rosenbaums, then they all attended the Homecoming at Neinda, Sunday.

Mr. and Mrs. Flavil Holmes went to Abilene, Sunday afternoon, where they visited in the home of his sister, Mr. and Mrs. Ray Herrel. Mr. Holmes's mother, Mrs. Alma Holmes,

will be leaving there soon for a trip to El Paso, then on to California, so they went to see her before she left.

Mr. and Mrs. Winson Gray visited with Mrs. Martin Gentry, in the Anson Hospital, Saturday, where she recently underwent major surgery. Mrs. Gentry will be remembered by the old, old, timers, as Clarice Willaford, and her father ran the store at Abbie, then later at Radium, for several years. Mrs. Gentry still owns the farm, which her father owned, just west of the Fairview Church and which the Grays have farmed for a long time.

Winson Gray also attended funeral services for Vernon Watts while in Anson Saturday.

Mrs. Earl Herbst recently returned from Hobbs, New Mexico, where she visited with her brother, Bert Shields, who was real sick.

Rev. Kenneth Leverett attended the T. S. T. A. banquet, in Anson, last Monday night since he is a school teacher and this was for the school teachers.

Mrs. E. A. Henry was a Wednesday afternoon visitor, of Mrs. Fred Rosenbaum. Mr. and Mrs. Winson Gray visited south of Anson Sunday afternoon, with Mr. and Mrs. Hilmer Carter.

Tuesday visitors of Mr. and Mrs. Fred Rosenbaum, were his nephew, Mr. and Mrs. Nolan Sullivan, from Lubbock.

Sonny Joiner, San Antonio, was a dinner guest of his brother, Mr. and Mrs. Elmer Joiner, last Monday. He had

been to Fort Smith, Arkansas, still working on the bill for veterans, who were prisoners of war, he has put a lot of effort into this and has high hopes of getting it passed since he has so many interested in it. From Hamlin, he went on to Lubbock to spend the night with his sister, Mr. and Mrs. Henry Kee.

There is a great big vacant spot in the George Wainwright household, as their "baby" left the home last week, after enlisting in the Air Force. He was sent to Lackland Air Base, San Antonio, for his six week period.

Lets not forget the Fairview cemetery working this coming Saturday, which will be May 1. If you can, you are being urged by those trying to keep the tradition alive, to come and bring a basket lunch, and spend the day.

FRIENDSHIP HD CLUB HAS PROGRAM FRIDAY ON QUICK MEALS

The Friendship Home Demonstration Club met at the Oil Mill Guest House Friday. Mrs. Elmer Joiner and Mrs. J. E. McCoy brought the program on quick meals.

Mrs. B. H. Gardner served refreshments to Mmes. Carl Young, Bonnie Bingham, M. S. Johnson, Jack White, Fred Carpenter, Elmer Brewer, Norman Carlton, R. M. Young, Noble Greer, E. G. Young, Alton Mayfield.

Mr. and Mrs. Terry Holland and family, Terry Lee, John, and Margaret from Woodland, California were here visiting his mother, Mrs. John Holland and other relatives.

WONDERFUL FEELING!

"Oh! I'm not really steering, but my friend has permitted me to sit here, and I have really had a good time just pretending."

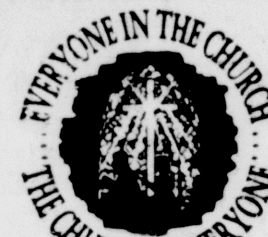

Does this remind you of times when you have "Pretended"? Remember when some friend allowed you to sit behind the wheel of a boat or a new car and... well, you know the rest.

Today we are still pretending, because nothing really belongs to us. The Bible Says... "The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein." Psalm 24-1.

According to this, God is truly our friend and permits us to use the things of this world. For these things, and God's greatest gift, his Son, we should attend worship services each week and give thanks.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

NOSEY NEIGHBOR

by Barbara Craig
The weekend rains have been the main topic of conversation this week. It looked like for a while that "April Showers" were not going to be anything more than sprinkles.

Everyone is grateful for the rain, but some were hard hit by the hail Saturday and Sunday.

Last week I mentioned the triplet goats at the Charles Cary home and since that time I have learned that multiple births in goats are not common, but they seem to be for the Cary's pet, Brownie. She had twins only last year.

Mrs. Etta Bond, and Mr. and Mrs. Virgil Steele visited this week with their mother, Mrs. J. M. Steele, in Fort Worth. Mrs. Steele is 89 years old is still quite active, likes to go, and takes care of the home chores.

Our family, being considered members of the working press, were guests at Six Flags over Texas this weekend. We had not been there for three years and were pleased to see that although some changes had been made in the attractions, no change had been made in the attention and service.

Most impressive were the beautiful flowers that were used throughout the grounds. It was not unusual to see camera fans taking pictures of the unusual blossoms.

QUOTES:

"Our youth now loves luxury. They have bad manners, contempt for authority, they show disrespect for elders, and they love to chatter instead of exercise."

"Children are now tyrants. They no longer rise when elders enter the room. They contradict their parents, chatter before company, gobble"

A shocking condition! (What you have just read was written by Socrates in the year 400 B. C.)

Charles Dodd, a former employee of the Herald, came by the other day while visiting here with his parents, Mr. and Mrs. Curtis Dodd. He is attending mechanic school in St. Louis, Mo. Charles and Mrs. Dodd went to Austin Wednesday where Mr. Dodd is managing a Safeway Store. The Dodds are making plans to move to Austin.

Seniors Preparing for Trip

by Nancy Ford
Marolyn Reynolds
Carolyn Reynolds

Busy? Well, the Hamlin High School students are busy also. Seniors are preparing for the senior trip, graduation, and after-high-school plans. Juniors are trying (they need help) to prepare for the big week when the seniors go to New Orleans and they can be big wheels. Why, they also have to prepare for the Junior-Senior Banquet, and we seniors are expecting something great. And even the sophomores are working. Of course we don't know exactly what, but they must be doing something. Now, the freshman are getting ready for that glorious day when they are privileged to give an assembly program for the high school. That's right; everyone's doing something.

h h s

Monday, the junior high and high school students were entertained by the Pepperdine Choir, which was on tour from Pepperdine College, Los Angeles, California.

h h s

Tuesday afternoon, April 27, the Hamlin High School cheerleaders and the Pep Squad twirlers were elected. Ten girls tried out for cheerleaders and eight for twirlers. The results will be announced later.

h h s

The results for the Regional Meet in Lubbock, Saturday are Mike Shivers, third in high jump; Robert Pearce, fourth in tennis; and the livestock team composed of Robert Moore, Randy George, and Wayne Gruben placed second in

the beef contest and third in the Stamford District.

h h s

On May 3, at 7:30 p. m. in the high school auditorium the sixth grade, junior high, and the Piper band and stage band will present the spring concert. Tickets may be bought from any band student for 75c.

h h s

The Student Council is sponsoring a school-wide picnic Tuesday, May 4 at 6:00. The drinks will be furnished by the Student Council, and the students are asked to bring their own lunches.

h h s

Summer is something great for everyone, but for those elected to attend Boy's State and Girls' State it is a summer which shall never be forgotten. The faculty members always select junior boys and girls to attend; this year Judy Jenkins and Sheila Stone with Jane Ferguson as alternate were selected to attend Girls' State. Jimmy Hawkins was selected to attend Boys' State with Tommy Ferguson and Mike Rountree as alternate.

h h s

The Junior-Senior Banquet will be Friday night, May 7, in the primary cafeteria. This affair is another highlight of the school year.

Barbara Ann Tabb, 19, daughter of Mr. and Mrs. W. H. Tabb of Route 3, Hamlin, has enrolled at Commercial College in Abilene. She will complete her training at Fort Worth, where she will major in computer programming. She is a 1963 graduate of McCaulley High School.

The rally was held at the First Baptist Church parking lot in Stamford. There were contests for gargaging, maypole driving, tire changing, blind driving, auto inspection, and trouble shooting. The climax was a driving contest which lasted over two hours.

Jim Kincaid of the Hamlin Post is president of the Northern District Cabinet, sponsors of the rally.

BIG DOOR SIZE CRAPPIE — Paul Fischer and Ronald Meletti of the Slaton office of the Texas Game and Fish Commission are shown with some of the large crappie they netted this past week while making a survey of Hamlin's South Lake.

Game and Fish Survey Reveals South Lake Is Long on Fish

A routine check by the State Game and Fish Commission last week revealed that Hamlin's South Lake is the best populated lake in the 22 county area serviced by the Slaton office.

Paul Fischer, biologist of the Slaton office, and Ronald Meletti, technician of Slaton, were in town this past week checking the Hamlin lakes. They reported that there

were too many fish in the South Lake for the size of it and that it would get worse unless it began to fill up.

They found large two pound Crappie, large four pound Bass and large Channel Cat in numerous quantities in the South Lake. They also said that there were very few rough fish in the lake.

No report was available on the West Lakes.
